

**THONET: Linea Stacking Cafe Chair**

Dimensions: Height 830, Depth 530, Width 425, Seat Height 460mm

The Linea chair is a true stacking bentwood chair which has a more contemporary aesthetic, whilst retaining traditional bentwood construction properties. Various combinations include timber seat and back - plain or slotted, upholstered seat and back with or without arms. A clever handle at the top allows easy stacking of up to 4 chairs.

- European Beech, natural or stained dark oak.
- Upholstered fabric or leather seat pad option.
