

## MAX: So Happy Chair

Designer: Marco Maran

The polypropylene shell has 6 colour options all of which are available ex stock in New Zealand. The frames are made in New Zealand under license to MAX Design, and are available in polished chrome, powdercoat or brushed stainless steel. Five base options include, standard stacking 4 leg, central pedestal base, cantilevered sled base, fixed swivel (pictured) and swivel on castors with gas lift.

The So Happy, with its numerous options, provides solutions for environments from the Cafe through to the Boardroom.
