

MAX: X3 Chair

Designer: Marco Maran

Dimensions: 770H x 520W x 470D x 450SH mm

X3 - high-tech meets elegance. The result of continuous experimentation is a one-piece seat shell obtained by the biinjection of transparent polycarbonate and a desmopan lattice, mass coloured. The complex moulding technology, applied for the first time in this specific field, lends X3 unique performance features and aesthetic effects.

Colours available ex-stock NZ: Metallic Silver, Green, Orange, Blue, Red, and Charcoal.

Frame Options pictured above.
