

KMS: Avoca Side Chair

Dimensions: Height 850 x Depth 570 x Width 530, Seat Height 450 mm

The Avoca Side Chair is designed for commercial interiors where simplicity and strength are favoured. Suitable for a multitude of applications including cafe and restaurant chairs, corporate office, breakout, meeting and training furniture, public spaces and residential interiors.

The Avoca is very stable with a generous footprint, and can be finished in a variety of stains and colours.

Also available with a Sled Base option that is particularly suited to carpeted areas for ease of movement.

- European Beech timber laminated shell stained or lacquered.
- Optional half or fully upholstered seat shell (images show half shell upholstered only), in fabric or leather.
- Polished chrome frame.
- Stackable.
- 100% New Zealand made.
