

THONET: Bistro Cafe Chair

Dimensions: Height 760, Depth 500, Width 450, Seat H 460mm

The Bistro chair is suitable for cafes, restaurants and residential dining. Designed in the late 1890s, its distinctive and unobtrusive low back also made it popular in department stores.

- European Beech frame and plywood seat.
- Available in a range of stain finishes.
- Upholstered leather or fabric seat pad option.
