

European Cafe Table

The European Cafe Table features a cast iron base with a black powdercoat finish. Sizes include 3foot Table, 4foot Table, 2x2foot Refectory table and 4foot Bar Leaner. All bases include adjustable glides for levelling.

Table tops are made to client requirements and include timber veneer, solid timber, laminate, or composite materials.

A very heavy base, the European is great for busy cafes and high use hospitality that demands strength whilst still retaining a classic elegant appearance.
