

French Cafe Table

The French Cafe Table has a classic 3 foot cast iron base which is self levelling. Classic in black, the base can also be painted other colours to suit.

Table tops are made to client requirements and include timber veneer, solid timber, laminate, marble or composit materials with or without metal edge rings.

The French Cafe Table is great for both indoor and outdoor use as a small coffee or drinks table with a maximum table top of 700mm diameter.
