

MAP: Mica Cafe Table

Designed by MAP International, made under licence in NZ by Thonet & Company.

The Mica Table features a spun, clear-coated, steel pedestal base, and is suitable for a variety of table top sizes including small square or round for cafe tables, and large round tops up to 1600mm dia for restaurant use. The Mica base is also useful for long rectangular tables or bar leaners for both workspaces and hospitality applications.

- Spun steel frame, clear or colour coated for indoor or outdoor applications.
- Tops include Melteca, timber veneer, solid or slatted sustainable timber, stained to suit.

Dimensions

Small Side Table: 300dia Base x 420H mm
 Cafe Table: 500/600 dia Base x 730H mm
 Large Dining Table: 700/800 dia Base x 730H mm
