

**EMECO: Nine-O Chair**

Designer: Ettore Sottsass 2007

Dimensions: 800H x 510W x 570D x 470SH

The "Nine-0", a new collection of chairs and stools by the Italian designer, Ettore Sottsass debuted at the 2008 Salone Internazionale del Mobile. The new designs re-imagine the classic, all aluminum Emeco 1006 Navy Chair, but adds comfort and colour with new features including soft polyurethane upholstery, a wider seat and stacking ability. These are the last chairs designed by Mr. Sottsass, who died on December 31, 2007 at the age of 90.

- brushed or polished aluminium.
- options include side chair, arm chair, side & arm swivel chair on castors, bench & bar stool.
