

THONET: No. 18 Bentwood Cafe Chair

Dimensions: Height 880mm, Depth 530mm, Width 410mm, Seat Height 460mm

The No.18 bentwood cafe chair is the perfect design for cafes, restaurants and residential dining where classic European style is desired. If good design is judged by time, then the Thonet No. 18 chair (original nomenclature) must be considered amongst the company's greatest achievements. It has stood unchanged for more than a 100 years and is still produced in one of the original Thonet factories in Europe.

- European Beech frame with plain plywood seat.
- Available in a range of stain finishes including Dark Oak, Walnut and Natural.
- Upholstered leather seat pad option.
- Suitable for commercial and residential use.
