

### THONET: Rombus Cafe Chair

Dimensions: Height 810, Depth 450, Width 440, Seat Height 460mm

The Rombus chair is available in both side and arm chair versions, and also with an upholstered seat option for restaurant dining. The design is based on a 1930's institutional chair and has a simple yet solid appearance.

- European Beech timber with ply seat and back.
- Available in a range of colours including natural, rimu stain or dark oak.
